MAYNARD & NOYES'
PERMANENT BLACK
WRITING INK.

TESTED FOR NEARLY HALF A CENTURY.

REGISTRY OF DEEDS OFFICE, Boston, Jan. 10, 1859.

Messrs. MAYNARD & NOYES: Gentlemen—I am glad that longer use of your Writing Ink enables me to repeat the testimony given in its favor many years ago. I have used it in this office thirty-seven years, *and my oldest records are as legible and black as when first written.* This rare quality for permanence renders it invaluable for State and County Records, and all mercantile purposes, where it is important that the writing should remain legible, and unchanged in color by the lapse of time. HENRY ALLINE, *Register of Deeds.*

The above popular Ink, together with RED, CARMINE and COPYING Ink, is for sale by the Manufacturers, at No. 51 WATER STREET, BOSTON; also, at Wholesale and Retail, by Stationers and Booksellers throughout the United States and British Provinces.

DIRECTION LABELS

OF

Parchment, Cloth & Paper Cloth,

AND TAGS OF EVERY DESCRIPTION,

MANUFACTURED BY

VICTOR E. MAUGER,

No. 115 Chambers Street, New York.

The subscriber having perfected his Machinery for the Manufacture of the above DIRECTION LABELS, would respectfully intimate to the Manufacturers, Merchants, Bankers, Express Companies, and Hotel Proprietors of the United States, that he is now prepared to execute Orders for any quantity, at the shortest notice and in the best possible manner.

Although, considering their recent introduction, the LABELS are generally known and appreciated, for the benefit of those who may not as yet have used them, from among their numerous advantages, the following may be submitted:

1. Their Cheapness.—The price of them generally exceeding little, if any, the price paid for COMMON CARDS; indeed, in many instances, the latter costing MORE.

2. Their Strength and Durability.—The material (at least the Cloth and Paper Cloth), is manufactured for the *express purpose.* The Parchment Labels are made from *Genuine British Skins only*, well known to be the strongest material in existence for writing purposes. The eyelit being strongly inserted through two to four ply of the folded Parchment, Cloth, and Paper Cloth, the liability of their giving way at that point is reduced to a minimum. The PARCHMENT and CLOTH LABELS are confidently recommended as being capable of withstanding almost any amount of bad weather and hard usage.

3. Their Convenience.—This is apparent; a dozen may be written out and securely attached to the same number of different packages in half as many minutes. Besides the foregoing, Merchants well know, when sending away goods, the advantage of having their names and addresses attached to them, in case of mistake in forwarding, or otherwise.

4. The Printed Direction Labels are obviously the Best, most Striking, and Cheapest advertisement in use.

☞ Samples and Prices of any size or kind sent on application.

VOLUME THIRTY-TWO.

PUBLISHED BY ADAMS, SAMPSON & CO.,

TROY:

WILLIAM H. YOUNG,

No. 216 RIVER STREET.

Entered according to Act of Congress, in the year 1860, by ADAMS, SAMPSON & Co.. in the Clerk's Office, of the District Court of the Northern District of New York.

PREFACE.

The Publishers of the Troy City Directory have taken unusual pains to make the present volume complete and accurate. The canvassers employed to collect the names and other materials, were all experienced men in the business, and have, we doubt not, done the work as practible as could be, having visited every dwelling, office, store and manufacturing establishment where the necessary questions have been asked to procure the name, residence and place of business of every citizen; and consequently we feel there can be no blame attached to us should there be any omissions.

By repeated solicitations from many of the prominent citizens of Lansingburgh, to make a Directory of their town, and to issue the same in connection with this one, we this year undertook the task, believing it would be found a valuable addition for the business men of Troy as well as Lausingburgh, and with the assurance that we should meet with sufficient encouragement to pay the extra expense attending it. But as the number of subscribers and advertisers have not amounted to even the cost of doing the work, it is quite doubtful about continuing it another year, unless some further assistance should be again offered.

We extend our acknowledgements to all, who have by their patronage and assistance, given encouragement and aid to the work now before them.

'Buy me, and I'll do you Good." Cleanse the System, Purify the Blood.

THE BEST SPRING AND SUMMER MEDICINE IN THE WORLD IS

DR. LANGLEY'S ROOT & HERB BITTERS.

These Bitters continue to be the most standard, popular and reliable medicine ever discovered for the cure of Liver Complaints and all their attendants; Jaundice in its worst forms; Humors, whether of blood or skin; all Bilious Diseases and Foul Stomach; Dyspepsia; Costiveness; Female Weakness, and every disease arising from Indigestion or sedentary habits of life; Headache; Dizziness; Piles; Heartburn; Pains in the Side, Bowels, or Back; Flatulency; Loss of Appetite, and every kindred complaint arising from Impurities of the Blood, Diseased Liver, or Disordered Stomach, to which every person is more or less subject in this climate.

The effect of this medicine is most wonderful—it acts directly upon the bowels and blood, by removing all obstructions from the internal organs, stimulating them into healthy action, renovating the fountains of life, purifying the blood, cleansing it from all humors, and causing it to course anew through every part of the body; restoring the invalid to health and usefulness.

Only 25 and 38 cents per bottle. Sold by Dealers in Medicine everywhere.
